About the James River Association:

The James River Association (JRA) is a non-profit, 501(c)(3), citizens' organization with the mission to be guardian of the James River, taking action to promote conservation and responsible stewardship of its natural resources.

JRA is the only organization in Virginia working solely to protect and enhance the unique resources in the James River watershed.

From the headwaters in the Allegheny Mountains to the mouth at the Chesapeake Bay, JRA works through its four core programs of River Advocacy, James RiverKeeper®, Watershed Restoration and Education & Outreach to restore and protect America's Founding River.

So you want to schedule a program?

That's great! Please note...

- *Programs must be scheduled **at least 3 weeks** in advance. First come, first serve.*
- *Outdoor trips may continue rain or shine depending on the circumstances. JRA reserves the right to cancel or reschedule programs as necessary.*
- *We are willing to help groups find funding to cover program fees and transportation costs.*
- *We are happy to customize programs to suite your needs. Give us a call and we can plan your program together.*
